This institution is an equal opportunity provider. Maine SNAP-Ed is funded by the USDA's Supplemental Nutrition Assistance Program, or SNAP, which is administered by the Maine Department of Health and Human Services (DHHS) and implemented statewide by the University of New England (UNE) through contracts with local community coalitions. Maine SNAP-Ed educates low-income families on low-cost healthy eating and active lifestyles.

Community Partners/Coalitions are sub-recipients of USDA SNAP-Ed funding.
